## Literacy

### **Homework -**

**Using bullet points, colons and semi-colons, to punctuate a list & adding extra information using brackets or commas.**

We have been thinking about changes in technology and how new users often need to follow instructions and rules for usage. Your instructions follow below:

- think about an activity you do which might be difficult for a time-travelling Victorian;
- would they know how to ride a modern bike, skateboard, play computer games, use a hairdryer or a microwave?
- create a list of rules for the activity, **punctuating with bullet points, colons and semi-colons;**
- use commas or brackets to add extra information to some of your rules;
